

The Calling Tree Campaign Pack

<https://www.ourwatch.org.uk/get-involved/support-campaign/calling-tree>

Supporting our neighbours and wider community who are not connected on social media can be a challenge. Why not setup a calling tree in your area? It's a lovely way to stay connected, particularly with those who are not online.

Here is how it works... You call 3 people. Those 3 people call 3 people each making 9. Those 9 each call 3 people reaching 27 people. Those 27 each call 3 reaching 81 people. The phone tree builds. Call 3 people today to ask how they are doing. Reduce isolation and stay connected.

Still not sure? Follow this link to help you set one up: https://www.edenprojectcommunities.com/sites/default/files/car_-_phone_tree_template.pdf
